

MINSK KRISTALL JSC –
MINSK KRISTALL GROUP
Holding Management Company

OJSC «MINSK KRISTALL» - «MINSK KRISTALL GROUP» Holding management company invites to cooperate wholesale and distribution companies in the Chinese alcohol market.

Our history has started in 1893, when two brothers - Yankel and Zelman Rakovshchik - established a yeast brewery and alcohol distillery in Nizhne-Lyakhovskaya street in Minsk.

In 2015 it has been reorganized into the managing company of the «MINSK KRISTALL GROUP» holding, which consolidates 7 Belarusian distilleries and an agricultural farm in different regions of the republic.

Today JSC «MINSK KRISTALL» - «MINSK KRISTALL GROUP» holding management company is officially recognized as the largest producer of spirits in Belarus taking **60%** of the domestic market.

The current product range of our company constitutes more than 80 products, among which:

- rectified ethyl alcohol from raw materials;
- vodkas and special vodkas;
- tinctures;
- liquors;
- balsams;
- cognacs;
- other spirits;
- potatoes starch.

Full information on the assortment can be obtained in the price list (Appendix), as well as on the website
